Please read the intire doc	cument throughly and fill in all	the mandatory box	es!							
		·								
Follow these guidelines:										
Please be modest and cor	mpare prices from each supplie	er								
Only order components t	hat are in stock, such that we o	can get the compon	ents within re	sonable time						
				all of the companies, as you are 14	groups					
Consider using Lego parts	from the Lego Lab on Campus	, such that the amo	unt of odd wi	iches are reduced						
Consider the use of the el	lder RCX mindstorm sensors th	at we might still ha	ve laying arou	ınd						
Consider lasercut pieces ((acryl 2-5 mm up to A3 size), a	s we have a lasercu	tter at the Ma	ersk Institut. 2D (DXF files) must be	send to us					
Consider which compone	ents are must have and nice to	have, and note this	in the table be	elow						
If you need to have some	thing printed in 3D, consult us	before doing anyth	ing							
Please order the list of co	mponents bellow by company									
Companies where you are	e allowed to find components	(where we have an	acount)
